

Cycles for High School Classes

High School (9th - 12th Grades):

Science

We will continue cycling through these sciences every three years.

- Biology (2024-2025)
- Anatomy & Physiology
- Chemistry

Some years we may offer additional sciences, such as Marine Biology or Physics.

History

We will use the following cycle which will repeat every 3 years.

- World History
- American History (2024-2025)
- Government/Economics

Electives

**Electives are subject to change, depending on availability of teachers.*

***Usually HS electives are taught by an outside, paid teacher.*

We plan to have the following 4 year cycle and then repeat:

- Apologetics - Starting Points
- Apologetics - Understanding the Times
- Personal Finance/Entrepreneurship
- Speech/Digital Information Technology (2024-2025)

English

Some years we may offer a high school English course by an outside, paid teacher.

- IEW Elegant Essay with Literature (2024-2025)
- IEW Windows to the World: An Introduction to Literary Analysis
- IEW Themed-History Based Writing
- IEW SSS-C
