

Hybrid Track

General Info

Kingdom Homeschool is pleased to make homeschooling possible for all types of families. Our Hybrid Track focuses on the academics and instruction that are required for homeschooling. The subjects we cover in all grades are as follows: English Language Arts (writing, spelling, grammar, and reading), Math, History, Science, and Spanish. Although we focus on the academics for hybrid students, there is always plenty of time for recess and running around. Please visit our parent commitment page to review what is required of you in this homeschool journey.

Co-op Track

General Info

Kingdom Homeschool invites students in grades K-6 to participate in our program. Please note that KHS is different from a 'traditional' co-op. We are privileged to provide enough teachers and parent volunteers to assist your students throughout their day without your everyday presence. Please see the parent involvement page for info.

Grades 7-12th are also invited to participate in our program, however, it is important to note that we aim to provide the basic 'extracurriculars' that are required for homeschooling in Pennsylvania. Classes vary per year and per semester but have or will include woodcarving, movement/hip hop dance, gym/games, theater, boomwhackers, choir, music history, sign language, cooking/baking, etiquette, hospitality/hosting an event, worship, gardening, etc.

In addition, co-op tuition required for students in grades 7-12th may be committed per year or per semester. 7-12th graders are also invited to participate in our Spring Theater Production. Cost is included in the tuition, however, Theater is also being offered as an individual class
