Class Description:

The aim of BHC Kindergarten is to serve as a student's introduction to co-op classroom learning, as well as to help foster a love of learning at home. It is a precious year where class time is structured around wonderful books! We will use a selection of stories from the Five In A Row curriculum to guide a variety of multisensory activities across multiple subjects. Our history and Bible curriculums aim to lead kindergarteners to love and treasure God as they learn truths about his Word and his world. Each week we will focus on aspects of history, fine and gross motor skills, story elements, art, and Bible while the children also experience the delight of walking alongside classmates and peers in the co-op community.

Curriculum & Supplies:

- Read-aloud book selections from Five In A Row by Jane Claire Lambert
(*A complete book list will be sent by the teacher on or before May 1st*)
- History for Little Pilgrims by Christian Liberty Press
- Leading Little Ones to God by Marian M. Schoolland

Supplies include:

- 1.5 inch binder with clear front sleeve
- Kindergarteners will need a backpack, water bottle, and snack each week

Tests, Assignments, & Grades:

Kindergarten is a wonderful year where we will focus on cementing foundational skills and fostering a love for learning at co-op. Homework assignments will be provided each week and are expected to be completed at home with a parent, and on time. Students will keep a binder as a sort of ongoing “portfolio” of their work. Each child will have the opportunity to present an “All About Me” presentation. Kindergarteners will not receive a letter grade for this class.

Teacher Bio & Contact Information:

I am LeAnne Haynes, and I am excited to get back in the Kindergarten classroom! I am a graduate of Samford University and then University of Montevallo for my Masters in Education. I have experience teaching Kindergarten, 1st and 2nd grade in the Vestavia and Mountain Brook City school systems. My husband and I have been married 17 years this April and have one son, Nathan, who is 11 years old. For the 2024-25 school year, Nathan will start his 6th grade year, which will be our 4th year as a part of the Brook Hills Co-op family! We travel quite a bit and try to either do an escape room and/or mini-golf course in every state we visit. We're up to 27 different states as a family!
