

## 1st Annual Mississippi College Choral Celebration

Providing the Choral Experience of a Lifetime since 1990

### The Event

200 middle and high school students will gather on campus of Mississippi College for a weekend of fun music-making, choral excellence, new friendships, and Christ-centered community. The Grand Celebration on Sunday, November 17 will be accompanied by a chamber orchestra comprised of local professional musicians. Music students and faculty at MC will provide organizational assistance and leadership throughout the weekend.

### The Results

Students who attend their first YouthCUE event often come away with their eyes newly opened to what choral music can provide them ... and what fun it is to sing with new friends across the state! It might be good to warn directors: When the students get YouthCUE events in their blood, they will want more. They will not want to miss a Choral Celebration in future years, providing you the opportunity to recruit and build your youth choir program based upon this event, the anthems we sing, the new horizons provided, and the new inspiration gained.
