The Coalition of Homeschoolers across Lancaster County (CHALC) is an umbrella organization serving homeschool groups, with a combined count of over 600 families. CHALC publishes this online newsletter in which member homeschool groups advertise their activities, such as field trips, meetings, and learning cooperatives. CHALC also provides liability insurance for publicized activities, a web site for each group, leadership breakfasts and other events, as well as a variety of discounts.

Over the years, CHALC has strived to pass along accurate information of interest to the homeschool community, including educational developments, legislative bills, and local resources. CHALC endeavors to encourage homeschool families by sponsoring the annual CHALC graduation, publishing homeschool family experiences, and recognizing student achievement in The Scrawls.

The various positions on the CHALC Board are filled by fellow volunteer homeschool parents. If you would like to learn more about the Board and its activities, please contact us at mail@chalc.org.

Thoughts from the Editor's Kitchen Table

By the time this article is published, Thanksgiving will have come and gone. But as I write, the celebrations are still ahead. I'm thankful for the opportunity to pause and look to Christ in gratitude for the abundant grace He has poured out. It's a great time to reflect on the year and point to His mercies. I encourage you to do that.

I don't know about you, but this year was totally nuts at our house. We started the year off right: quarantined with COVID. (Ok, COVID wasn't fun, but the meals and groceries and notes and toys at our doorstep? That was fun. God really does care for our bodies and souls.)

About a month later, my grandfather died in our living room after a long battle with Parkinson's. Despite the sadness, I couldn't help but reflect on how God had provided this father figure to me so graciously. My Poppop, with his thick Puerto Rican accent and cheesy dad jokes, was always ready to rough-house when I was a kid or put too much chocolate syrup on my ice-cream when I, as a teen, sat at his table crying about some boy. He drove me wherever I needed to go, helped teach me how to drive, and then waited up for me as I spent more time away from home. I didn't deserve him, but how good is God for caring for me through him, and letting me be there in his final moments?

My chronic illness took a turn for the worse after these stressors, so I spent a lot of time with my doctors and specialists. My daughter, likewise, started to have lots of extra appointments. We both spent more time than we would have liked in the hospital this year. Once again, God chose to be so merciful to us: providing the most excellent care through doctors, therapists, surgeons, and even the elders of our church who always walked us through those times with love and prayer. Flowers, notes, meals... He did not have to pour out love to us that way, but He used those challenges to build us up and increase our trust in Him.

There were lots and lots of really *great* times this year, too! Buying a house, getting a promotion, starting an Etsy shop, watching friends be baptized, snuggling brand new babies, meeting goals, making new friends, having coffee every day!

No matter what God had for us this year, He used each and every circumstance for our good.

Our family is currently memorizing this timely Heidelberg Catechism question, Question 26: **What do you believe when you say: I believe in God the Father almighty, Creator of heaven and earth?**

Answer: That the eternal Father of our Lord Jesus Christ, who out of nothing created heaven and earth and all that is in them and who still upholds and governs them by His eternal counsel and providence, is, for the sake of Christ His Son, my God and my Father. In Him I trust so completely as to have no doubt that He will provide me with all things necessary for body and soul, and will also turn to my good whatever adversity He sends me in this life of sorrow. He is able to do so as almighty God, and willing also as a faithful Father.

What a comfort we Christians possess, knowing that not only does the Maker of the universe have the power to use adversity for our good, but also cares enough about His children as a perfect and faithful Father that He *wills* our good. He uses all things to benefit us because He can *and* He wants to. What grace!

As you wrap up your year, no matter what it looked like, thank God. If heartache caused you to cry out to Him, thank Him for reminding you of His tender care. Thank Him for enduring that heartache when He lived a sinless life for you. Thank Him for being with you while you ache. Thank Him for the body of Christ that He uses to comfort us. Thank Him for the fruit of the Spirit He alone is producing in you. Thank Him for being on His throne.

...give thanks in all circumstances; for this is the will of God in Christ Jesus for you.

Lititz Home Educators

www.homeschool-life.com/pa/lhe

Lititz Home Educators is a unique alternative to a weekly co-op. It allows you to be connected to other homeschoolers without a weekly time commitment. Members serve the group in some way during the year and can pick and choose opportunities that interest their family and suit their schedule. Many members use it in addition to a weekly co-op as it provides enrichment opportunities and a safe, closed e-mail forum for communicating with other like-minded homeschoolers. You can ask questions, borrow and buy new curriculum, seek recommendations, find out pertinent information and opportunities for homeschoolers, and more! LHE is the perfect addition to your home school and a great way to be connected. Come build relationships with us as we serve each other. For detailed information about becoming a member, please contact lititzhomeeducators@gmail.com or visit www.homeschool-life.com/pa/lhe.

UPCOMING LHE MEMBER ACTIVITIES

Mom's Wine and Cheese Evening

We welcome our LHE mothers for a joyous evening of fellowship and a glass of holiday cheer!

Please join us on **Tuesday, December 7th** for an annual gathering to relax and reconnect with friends. Wine (as well as other drinks!) and light refreshments will be provided. We hope to see you all there! Please reach out to Erin at eseifferlein@gmail.com for questions. Sign-ups are required.

Adventure Club

Adventure club meets two Fridays a month to explore God's beautiful creation together. Most events will not have a planned curriculum. We envision all ages learning together organically. Older students can practice leadership/teaching skills if they feel so inclined. Younger children learn from being around older students. We adventure in all kinds of weather and environments! Please consider what attire will best suit your family's needs to be comfortable & safe.

In case of severe weather, a cancellation notice will be posted on the LHE website forum. **You can sign up & find detailed parking/trail/meeting information on the LHE Website Calendar.** If you would like more information or have any questions, please contact Nicole Miller at kandnmiller@gmail.com or KimberyDoutrich at paintedorizon17@gmail.com

CV Homeschoolers, a Christian-based, parent-run co-op meets ten weeks from September through November and ten weeks from February through April on Thursday afternoons.

Learning Station

www.Homeschool-life.com/pa/liscoop

Our parent-run homeschool co-op meets at Lancaster Evangelical Free Church (LEFC) in Lititz, PA. Elementary classes run for 10 weeks per semester while 7th-12th grade students attend upper level classes for 10-15 weeks per semester. **Learning Station offers two tracks to membership: co-op track and upper level only track.** Co-op track members teach and serve within Learning Station. This track is required for all families with enrolled elementary-aged children or those with older students who wish to participate in Learning Station's Theater Arts program. Upper level only track registration is open to families with 7th-12th grade students after co-op track students have registered. Elementary classes vary from year to year. Learning Station's members' interests and talents dictate the subjects and topics taught. Our elementary classes are designed to supplement your home curriculum--not replace it. Therefore, most of the work will be done in class. Our upper level classes, however, include "for credit" academic courses as well as "enrichment" options. Elementary offerings are only available through co-op track membership.

We are a dedicated group of families who connect by supporting each other on our journeys, fostering friendships among the children and nurturing connections between families by experiencing life and lessons together. Our group is founded on Jesus' example of servanthood, and every LHE family contributes by hosting an activity such as a field trip, a class, a show-and-tell, a park day, a mother's gathering or an experience that brings joy to your family and that you would want to share with ours. Many of our activities occur in the northern and eastern areas of Lancaster County, but LHE welcomes families from anywhere. Membership in LHE offers the benefits of asking questions from seasoned homeschooling families, finding resources, buying/selling/borrowing, and discovering opportunities. Please consider gathering with us for encouragement and to strengthen connections.
