## Thoughts from the Editor's Kitchen Table

*This is a re-print from an article I wrote in the December 2020 edition of The Scrawls. Why? While we're making progress, I needed this reminder. Maybe this will encourage you.*

I have a confession to make:

I am not a touchy-feely kind of Momma. I didn't grow up with lots of physical affection. I started our homeschooling year with "Smile at the kids" as a checkbox on my to-do list! Some of my friends radiate a smiling warmth and lots of hugs to share around their homeschool tables, and then there's me: all too focused on getting the work done and the knowledge absorbed. Check all the boxes. Learn all the things. Show my husband all the work accomplished at the end of the day.

My children were clearly perceiving my get-it-done personality type as a grumpy demeanor, and frankly, I was getting annoyed. Why did each day throw some sort of wrench in my plan? *Your trouble with fractions or rough night of sleep was not on my list!*

I was treating homeschooling solely as a job, not a God-given opportunity for all of our growth and His glory. We had a problem.

It is no accident that God sovereignly put a physically affectionate family around me with no Type-A'ers in sight. I was determined that this school year was the year for things to change, and you know what? God is faithful. (You *did* know that, I'm sure!) When we ask Him to lead us by His Word and Spirit, He does! Here's what happened:

First, I asked for God's help. Matthew 7:7 and Luke 11:9-13 teach that we're to be asking--nay, begging-- Him for His grace and Holy Spirit and that as His children, He'll grant them to us. I put post-it notes all over my planner, in the kitchen, and other high-traffic areas to remind me *not* to be more smiley

and patient, but to ASK God to give me more of those fruits. This helped me let go of the mentality of picking myself up by my bootstraps and "just doing it." Fruit is wrought **by the Spirit**. (1 Cor. 3:6). We don't need any cute Hobby Lobby signage up in our homes that tell us, "You got this." The truth is: we don't. So, ask for it.

Second, God brought others into my life to share the wisdom He gave to them. One specific writer I found<sup>1</sup> a) has my personality type, and b) is growing in showing gentleness and affection toward *her* children. I learned that I can use checkboxes to my advantage. She didn't create the following habit-builder, but she pointed it out:

**After I [cue], because I want [reward],  
I will [action] so that [reward].**

My habit statement read:

*After I serve morning snacks, because I want to be a more tender, affectionate, and calm mother, I will give each child a big hug (even if I don't feel like it) so that I can grow and we can all begin our work in cheerful fellowship.*

What followed surprised all of us, because as it turns out: giving a hug is a great time for a big kiss, and if you're giving a hug and a kiss you might as well remind each other how much you love each other. Suddenly, everyone is smiling and calm, God is honored in our love for each other, oxytocin is released,<sup>2</sup> and we're starting the day on the right foot!

So, how are things going in your homeschool? Do you have a persistent area of struggle? Ask God for wisdom and His Spirit! He'll give you both (Js. 1:5, John 14). Is it difficult for everyone to get over the grumps? Hug! Even if it's weird, try it anyway.

It could be the beginning of a beautiful habit!

## Conestoga Valley Homeschoolers

[www.homeschool-life.com/pa/cvhomeschoolers/](http://www.homeschool-life.com/pa/cvhomeschoolers/)

**CV Homeschoolers, a Christian-based, parent-run co-op meets ten weeks from September through November and ten weeks from February through April on Thursday afternoons.**

We offer Nursery and Preschool. Grades K-6 have choir, gym, and an elective each semester. Grades 7 and up have two or three electives each semester with music/choir in the spring. Electives include academic and non-academic classes.

Membership fee includes ALL classes for ALL of your children for both semesters. Some classes may require that you purchase certain books or pay additional fees to cover needed supplies, but we always try to offer a "no-additional cost" class option for every period and age group. Our parents volunteer to teach the classes and fill helper positions. We rely on parent participation and offer activities that parents are willing to organize and staff. This keeps our costs low and affordable for all family sizes and incomes.

**We will meet each week at DOVE Westgate Church in Ephrata  
January 27th - March 31st, 2022 (12:45 - 3:25pm)**

**Jan. 22th, 2022 - 6:00 -9:00 pm**

We enjoyed a 7-Ups Game Night at Conestoga Church of the Brethren

**Mar. 5th, 2022 - 5:00 -9:00 pm**

7-Ups 80's Night at The Beiler's Home

**Mar. 11th, 2022 - 2:00 - 4:00 pm**

Coffee & Canvas Event at Woodcrest

We will have an instructor teaching us step by step instructions while we do canvas painting. This is for parents and teens who are beginners or experienced painters. Woodcrest will be providing coffee and drinks. If you are able to come, please bring a snack to share. Come out and enjoy a relaxed setting with your co-op friends!

### **\*\*Open to All Homeschoolers & Potential Homeschoolers\*\***

For our Conestoga Valley Homeschoolers' March Moms' Night Out, we will be presenting an **Interactive Question & Answer Session with a Panel of Homeschool Moms.**

Each of you probably has at least one (maybe tons) of puzzling homeschooling questions that you'd just like to ask an "expert." Although none on our panel would ever consider calling herself an expert, each one does indeed have a wealth of experiences to share with us. Ask your question, and we can discuss it with a whole roomful of friends!

Deanna Rabe is coordinating this educational event and will be gathering questions in the coming months so that our panel has the opportunity to think through your questions as well as bring along any support materials (i.e. portfolios, forms, tests, etc.) If you do think of a new question on the night of March 7th, you'll still have an opportunity to ask it.

Email questions in advance directly to Deanna Rabe – [tdrabe@aol.com](mailto:tdrabe@aol.com)

Please plan to join us on **Monday, March 7th from 7-9 PM at Calvary Monument Bible Church** (1660 Mine Rd, Paradise). It will be a great evening of learning, and of course we'll have lots of fun, homeschool mom fellowship as well! This is a Conestoga Valley Homeschoolers' event, but **ALL HOMESCHOOLING FRIENDS ARE WELCOME!** Please RSVP to Deanna Rabe ([tdrabe@aol.com](mailto:tdrabe@aol.com))

## *Overcome*

It's September of 1940, and the Nazi bombing of London has just begun. To escape the danger, hundreds of children are set out of London into the English countryside to stay primarily with unknown families. Among them are five children who are all taken in by a young couple and their son. As the Londoners adjust to their new home, the arrival of two German refugee children upends their world and makes them question what they believe and what love, courage, and forgiveness really mean.

# Learning Station

Our parent-run homeschool co-op meets at Lancaster Evangelical Free Church (LEFC) in Lititz, PA. Elementary classes run for 10 weeks per semester while 7th-12th grade students attend upper level classes for 10-15 weeks per semester.

**Learning Station offers two tracks to membership: co-op track and upper level only track.** Co-op track members teach and serve within Learning Station. This track is required for all families with enrolled elementary-aged children or those with older students who wish to participate in Learning Station's Theater Arts program. Upper level only track registration is open to families with 7th-12th grade students after co-op track students have registered.

**Elementary classes** vary from year to year. Learning Station's members' interests and talents dictate the subjects and topics taught. Our elementary classes are designed to supplement your home curriculum--not replace it. Therefore, most of the work will be done in class. Our upper level classes, however, include "for credit" academic courses as well as "enrichment" options.

Learn more about us at

<https://www.homeschool-life.com/pa/lcoop/>.

**Lititz Home Educators**  
[www.homeschool-life.com/pa/lhe](http://www.homeschool-life.com/pa/lhe)

Lititz Home Educators is a unique alternative to a weekly co-op. It allows you to be connected to other homeschoolers without a weekly time commitment. Members serve the group in some way during the year and can pick and choose opportunities that interest their family and suit their schedule. Many members use it in addition to a weekly co-op as it provides enrichment opportunities and a safe, closed e-mail forum for communicating with other like-minded homeschoolers. You can ask questions, borrow and buy new curriculum, seek recommendations, find out pertinent information and opportunities for homeschoolers, and more! LHE is the perfect addition to your home school and a great way to be connected. Come build relationships with us as we serve each other. For detailed information about becoming a member, please contact [lititzhomeeducators@gmail.com](mailto:lititzhomeeducators@gmail.com) or visit [www.homeschool-life.com/pa/lhe](http://www.homeschool-life.com/pa/lhe).

**UPCOMING LHE MEMBER ACTIVITIES**  
(MORE DETAILS AND SIGN-UPS ON THE LHE CALENDAR.)

**SkyZone**

Come out to SkyZone to enjoy some fun gym time and get some exercise during the winter months! This event is fun for any age (parents can jump, too). Join us on **February 23** during their Wednesday Home School Time (discounted rate and it's not crowded!). See LHE calendar for more details.

**Maple Sugaring**

On **March 1**, you're invited to the Sugar Shack to get a close up look at how to make maple syrup! A guide from the Lancaster County Environmental Center will take us through the entire sugaring process from tree identification through tapping, boiling, finishing, and even making candy. All ages are welcome. The entire event will be outside, so please dress accordingly. See LHE calendar for more details.

**LHE Homeschool Nations Fair**

Let's take a trip around the world together! Please join us for the LHE Homeschool Nations Fair on **Thursday, March 10th at 10am** at the Ephrata Community Church in Conference Room C. Come and share about a nation that you and your family have been learning about this year or a country that you're interested in! See LHE calendar for more details.

**Ephrata Cloister**

Join us for a tour of the Ephrata Cloister, which will include a general tour and learning about the lives of Ephrata's early residents in the Sister's House and Meeting House. Afterward, we will visit the Printing Office where we will learn to write with a quill pen. The date is **Wednesday April 6th**. See the LHE calendar for more details.

**Adventure Club**

Join us on **March 17** as we visit the newly-renovated, newly-opened Middle Creek Visitor's Center! We'll explore all they have to offer there. Feel free to pack a lunch and take a hike afterwards on one of the nearby trails if you wish! This will be a self-directed morning, so feel free to show up anytime in the timeframe. Masks are optional. See LHE calendar for more details.

## **We are accepting new members for the 2020/2021 School year! You may be wondering what makes MACH different from other co-ops?**

Did you know, last June, Pennsylvania passed House Bill 1615, which changes the compulsory school age from ages 8-17 to ages 6-18? Beginning in the 2020/2021 school year, homeschool parents will need to provide an affidavit, compile a portfolio, and have an evaluation done for any child 6 years or older. At MACH we provide academic classes for all ages. Our classes are on a scheduled rotational basis, so you know your child will receive all the necessary training in science, history, physical education, and in the secondary grades, English Writing & Literature. Co-op classes provide this necessary teaching, as well as provide worksheets, projects, etc. to include in the homeschool portfolio.

### **Elementary Students:**

- Receive teaching of history from K- 6<sup>th</sup> grade, with a 4<sup>th</sup> grade emphasis on PA History.
- Are taught all areas of science, with class time dedicated to lab work, “hands-on-activities”, and special in-depth unit studies.
- Participate in year-long gym classes, and are instructed in a variety of group sports, learning teamwork, listening skills, coordination, and agility. At-home physical fitness is also encouraged. Log sheets and tests are optional but make great additions to the homeschool portfolio.
- In addition to the morning classes of history, science, and gym, students may choose to participate in afternoon electives such as art, life skills, Lego club, music, and drama.

### **Junior and Senior High Students:**

- Students completing our regular rotation of morning courses, will receive all the credits needed to fulfill the homeschool law in the area of Science, English, and Social Studies.
- Areas of science which are taught: Earth Science, Life Science, Physical Science, Biology, Chemistry, and Anatomy & Physiology
- Social Studies rotation includes: Early American History, Renaissance & Reformation, World Geography, Modern World History with World Religions, Personal Finance (economics), Government/Civics, and Psychology.
- Our English rotation includes a strong writing component in the junior high years, including instruction in writing a research paper. Grade appropriate novels are read and analyzed. Students will also learn speech skills and give oral presentation. High school students rotate through the following three courses: English with an American Literature emphasis, English with a British Literature emphasis, and English with a World Literature Emphasis. High schoolers will continue to sharpen their written communication skills, as well as their oral communication skills through both individual and group presentations.
- Students may participate in additional afternoon electives, such as art, debate, volleyball, and music/drama. Math classes are also available at this level.

### **What does this mean for you as a parent?**

- Having a continuous rotation of classes gives parents the assurance their student is receiving all the teaching and instruction needed to fulfill the homeschool law. It helps eliminate the guess-work and stress of wondering if your child is learning all they need to know!

## Our Groups: M.A.C.H.

Lititz Home Educators (LHE) is a Christian field trip community that is open to any home-schooling or cyber-schooling family from the Lancaster area. We are a dedicated group of families who connect by supporting each other on our journeys, fostering friendships among the children and nurturing connections between families by experiencing life and lessons together. Our group is founded on Jesus' example of servanthood, and every LHE family contributes by hosting an activity such as a field trip, a class, a show-and-tell, a park day, a mother's gathering or an experience that brings joy to your family and that you would want to share with ours. Many of our activities occur in the northern and eastern areas of Lancaster County, but LHE welcomes families from anywhere. Membership in LHE offers the benefits of asking questions from seasoned homeschooling families, finding resources, buying/selling/borrowing, and discovering opportunities. Please consider gathering with us for encouragement and to strengthen connections.
