Notes:

- Pick up Lift Tickets and rental forms from our group table in the lower level of the chalet, not the ski office. I hand out lift tickets and rental forms from 9:45 until 11am.
- All lessons start between 10:15 and 10:25 so arrive early for rentals--45 minutes recommended. They especially emphasized this year that you need to be on time for lessons. No late lessons will be offered.
- Registration and payment by the due date is super helpful so that I can let the venue know how many people to expect, how many rentals will be used, and how many instructors they need to have on hand for lessons.
- Rental equipment is not allowed in the Terrain Parks

**\*\*\$10 Evening Ski Upgrade: Ski until 10pm. Must purchase on day of directly from main desk upstairs**

To expedite the rental equipment outfitting process, please fill out the following information. This will be given to Trollhaugen in advance, if your registration is received by the due date.

You will also need to know this information when filling out the rental form the day of. Parents will need to sign rental and release forms for children.

<b>Name</b>	<b>Age</b>	<b>Rental: Ski or Snowboard</b>	<b>Height: (feet and inches)</b>	<b>Weight:</b>	<b>Street Shoe Size</b>	<b>Experience Level: Beginner, Intermediate, Advanced</b>
