

Dear Teen Parents,

A teen event will be held Nov. 16, 2024 at the Old Armory Building in Campbellsville. In order to ensure a fun evening for all, we would like to set a few expectations. This will be a formal event and ask the ladies to please dress modestly. Dresses should be at least knee length, with no cut outs or sheer midriff sections. The gentlemen slacks and a jacket, no jeans. The following activities will be provided in the hopes that our students learn from this experience. There will be a DJ with a curated list of music, games, and line or group dancing should they choose to participate.
